

The Paddocks Tea Room

The Paddocks Tea Room is a converted old farm workshop on a working farm with a comfortable interior, warm and friendly atmosphere complete with disabled access.

The snacks, Farmhouse lunches and cakes are all freshly prepared on the premises. We can seat 36 people in comfortable surroundings or relax outside in the garden area where there are 5 family sized benches. We have a summer house in the garden area which seats 9 comfortably and is suitable for dog walkers and when it's raining.

Come and relax in beautiful surroundings whilst sampling our famous Farmers and Farmers wife breakfast, Homemade soups and quiches and not forgetting our homemade cakes and continental coffees (various tea's are also available).

We have ample car parking, ideal if you want to take a stroll on the flats and start or finish your journey with refreshments. We provide an excellent base for walking or cycling.

The Paddocks Tea Room
